Web site: tubular.arcelormittal.com
 Technical hotline: constructube@arcelormittal.com

Our products are proposed with a large number of options, depending on mill:

- Length: 12m , 15m or 18m – Max: 25m
- Cut-to-length on request
- Ends: Square or beveled cut ends
- Inside weld removed possible
- Special sizes possible on request

For more details, please contact us.
